Successful Candidates in the CPA Examination, November 1970

The 276 H&S accountants who completed the CPA examination in November 1970 were the largest group in our Firm's history to pass this milestone in their professional careers. Six offices distinguished themselves with a record of eighty per cent or higher of parts passed of all parts attempted. These outstanding offices were Columbus, Houston, Milwaukee, Portland, Salt Lake City and Wilkes-Barre. In competition for the Elijah Watt Sells Award, three candidates won honorable mention from the AICPA: Richard Lambert and Robert Schapperle, both of Philadelphia, and Edwin James of Denver.
